

# CAPABILITY STATEMENT

**MAK Metals** is a precision sheet metal manufacturer catering to the high tech, medical, life sciences, traffic and electronics industries for almost 20 years. Whether it's extremely sophisticated pieces or high-precision assemblies, MAK Metals partners with their clients from design to final completion.

## CORPORATE DATA

**WEBSITE:** [www.makmetals.com](http://www.makmetals.com)  
**SAM UEI:** UU6JWMVQ71K4| **CAGE CODE:** 06C65  
**POC:** Kal Anderson  
**PHONE:** (503) 376-8933  
**EMAIL:** [kal@makmetals.com](mailto:kal@makmetals.com)  
**ADDRESS:** 960 SE Monmouth Cut Off Rd  
Dallas, OR 97338

**WORK AREA:** OR, WA, CA  
**NAICS Codes:**  
• 332322 - Sheet Metal Manufacturing

## PAST CLIENTS

**Medical and Life Sciences:** *Korvis Automation Inc.*  
**Semiconductor and High Tech:** *RENA Technologies North America.*  
**Industrial:** *3D Systems Inc, Kohler Design Corporation, Cascade Controls Inc, Ampere Scientific.*  
**Traffic:** *Traffic Safety Supply Company, High Leah Electronics.*

## DIFFERENTIATORS

- **Diverse Expertise:** Our People have years of experience in many facets of manufacturing.
- **Quality Standards:** We take pride in our work and ability to ensure top-tier quality and compliance to customer specifications.
- **Comprehensive Job Tracking:** Using software that allows us to know exactly where parts are in the manufacturing process, we can be competitive with our lead-times.
- **Client Focused Solutions:** From engineering to manufacturing, we tailor our services to meet the unique needs of each individual customer, ensuring the most cost-effective product.

## CORE COMPETENCIES

- **Complex 3D CAD Modeling:** Expertise in handling large and complex assemblies using SolidWorks.
- **Precision Equipment:** CNC Laser, Punching and Brake Forming ensure tight tolerances are held in the fabrication process.
- **Experience:** Our welding department has many years of experience from structural to precision welding.
- **Partnerships:** We partner with vendors that we know and trust to provide the best quality finishes that our customers require.
